INTRODUCTION

Bulletin 306 B is a technical manual that provides general and specific technical information for the 35 "CARDATA" Feeder and Reader (edge punched card feeder and reader).

The bulletin is a technical manual, made up of a group of independent sections and consists of a general description and operating procedures; installation and checkout procedures; adjustment, lubrication and disassembly; and diagrams.

The sections are complete within themselves; they are separately identified by title and section number, and the pages of each section are numbered consecutively, independent of other sections.

The identifying number of a section, a 9-digit number, appears at the top of each page of the section, in the left corner of the left-hand pages and the right corner of the right-hand pages. The sections are placed in the manual in ascending numerical order.

To locate specific information refer to the table of contents on the following page. Find the name of the involved component in column one and the title of the section in column two. The correct 9-digit section number will then be found in column three. Turn to page one of the section indicated, where the contents of that section will be found (except where a section is small and does not require a listing of contents).

TABLE OF CONTENTS

<u>Equipment</u>	<u>Contents</u>	<u>Section</u>	<u>Issue</u>
Reader	Description and Principles of Operation	574-242-100TC	1
Reader	Installation	574-242-200TC	1
Reader	Wiring Diagrams	574-242-400TC	1
Reader	Adjustments	574-242-700TC	1
Reader	Lubrication	574-242-701TC	1
Reader	Disassembly and Reassembly	574-242-702TC	1
Feeder	Description and Principles of Operation	574-246-100TC	1
Feeder	Installation	574-246-200TC	1
Feeder	Wiring Diagrams	574-246-400TC	1
Feeder	Adjustments	574-246-700TC	1
Feeder	Lubrication	574-246-701TC	1
Feeder	Disassembly and Reassembly	574-246-702TC	1
Table	General Information	574-247-101TC	1

Note: The above sections contain specific information for the 35 "CARDATA" Feeder and Reader (edge punched card feeder and reader).
